WHY TOTO?

ECOLOGY

TOTO's commitment to environmental sustainability goes "beyond compliance." Our high-efficiency toilets, faucets and showers lead the industry in water savings, and our expert engineering results in first-rate performance, reliability and customer satisfaction. From our products to our manufacturing processes, efficiency and effectiveness are a part of our DNA. Call 800-350-8686 or visit totousa.com for more information or to find a TOTO dealer near you.
