

Introducing

Bio_Antron™ carpet fiber

Your sustainable fiber options are growing.

New Bio_Antron™ carpet fiber is the first dyeable carpet fiber with 10% bio-based content designed specifically for the commercial market. Made in part from renewable resources, Bio_Antron™ carpet fiber can help you meet your sustainability goals for using renewable resources without sacrificing performance or aesthetics.

For more information, please call 877-5ANTRON, or visit antron.net/gs.
